These transporting services deliver hits of much-needed stress relief—and an all-over radiance.

Deep Massage

Housed in a small West Hollywood bungalow, **Skin Haven Spa Studio & Wellspa** (300 N. Crescent Heights Blvd., 323-658-7546) offers a 50-minute Express Massage (\$99), which is rooted in a rare—and utterly relaxing—combination of Swedish and Esalen knot-kneading techniques.

Full-Body Detox

Purify your body, head to toe, with the Cristallo treatment (\$90) at **The Spa at Pelican Hill** (22701 Pelican Hill Rd. S, Newport Coast, 800-820-6800), an invigorating 30-minute bath soak tinged with Himalayan salt crystals and Italian bergamot, topped off with a tension-melting 20-minute hydration application. Afterward, take some extra time for a complimentary steam or a dip in the whirlpool.

Sole-Soothing Pedicure

Bliss Spa's (W Los Angeles—Westwood, 930 Hilgard Ave., 877-862-5477) signature 60-minute Hot Milk and Almond Pedicure (\$65) kicks off with intensive buffing to soften calluses, followed by a steamed milk foot bath, a dose of ultra-moisturizing almond oil, and scrubbing, massaging, and

polishing galore. Added bonus: The nail stations are tricked out with personal flat-screen TVs, DVD players, and headsets.

Glow-Inducing Facial

At the recently opened **Face to Face LA** (11331 Ventura Blvd., Ste. 2A, Studio City, 818-505-0107), aestheticians focus on the dermis—the underlying layer of skin—with near-immediate results. The hourlong Face to Face Infusion Polish (\$99) gently exfoliates and increases cell renewal, yielding plumper skin.

Organic Spray Tan

For natural-looking, sun-kissed color, head to **Chocolate Sun Studio** (135 Bay St., 310-450-3075) for its signature spray tanning (\$55). The chemical-free, streakless process takes 30 minutes and lasts up to 10 days.

Hair Repair

Infused with healing sunflower and grapeseed oils and avocado, the Conditioning Hair Gloss (\$75) at the airy beachside salon **Frederic States Hair Studio** (145 Bay St., 310-399-1754) restores luster to dry, damaged, and overprocessed hair. The superb blowout that's included practically pays for the service on its own.
